**Getting Started**

Welcome!

Before you create your Testing Profile, you will need to have three key pieces of information:

1. Your HP Learner ID or HP Employee ID.
2. Your last name and email address as it is presented in The Learning Center. Please note that your name must also match your government issued picture identification.
3. After your profile is set up, you will receive an email from pearsonvue.com that provides your login information. Please ensure that your firewall settings will allow emails from pearsonvue.com.

If you do not know your HP Learner ID or remember how your name and email is presented in The Learning Center, please visit this [web page](#).

**Continue**

- Enter your profile information.

**Important:** Your profile information (First and Last Name, HP Learner ID) must match exactly with the data the you introduced in the Learning Center.

**Note:** If the name that is displayed in The Learning Center has special characters or is not in roman characters; please note that when you create your profile, you will be asked to provide your name in English.

**Fields marked with an \* are required.**

**Candidate Information**

You've included extended characters in your name. We will use this name as your official name for our English version. Please enter your English name to use during the exam registration process. The name you enter must match the name as registered in The Learning Center.
